Retailers can still sell the product for any price they choose, but they cannot publicly advertise it for less than the M.A.P. .

#### GENERAL COMMERCIAL CONDITIONS

- Payment terms: advanced payment: 2% discount / Lindhaus USA accept payments via credit card, debit card, ACH, and digital check. Credit-card transactions carry a 3 % processing surcharge, so they're available only in states where surcharging is permitted. Debit card, ACH, and digital-check payments are always welcome and incur no additional fees.
- Delivery terms: ex-works Lindhaus USA (Minneapolis, Minnesota)
- Delivery time: in average 48 hours from order, depending on models and quantities
- Shipping: Should the amount of USD 3,500 be reached, the cost shall be borne 50% by Lindhaus USA and 50% by the dealer
- Minimum spare part orders: Lindhaus require min. order value of € 100,00; should the order be below this amount, a surcharge of € 15 will be applied

**Warranty:** In case of production defects, Lindhaus grants the supply of spare parts free of charge (consumable excluded) once they are required, for 2.5 years from production date (code on machine's rating plate). To ask for warranty parts, it is necessary to supply Lindhaus with the picture of the rating plate and defective parts for evaluation and approval. If parts concern motors, electronic boards, the pictures should include the rating plates located on them. Transport and labour costs are at dealer's charge.
